BREAD

Pain d'Avignon

The perfectly crusty on the outside, airy on the inside loaves from this Hyannis bakery can be found in restaurants, coffee shops and grocery stores around town. We're partial to the subtly sweet raisin-pecan. Started in 1992 by four friends from Serbia, Pain d'Avignon bakers don't use preservatives or artificial ingredients. It's just bread, baked in the Old World style: plain, simple and tasty.

AVAILABLE AT BOSTON-AREA WHOLE FOODS MARKETS AND OTHER STORES. 15 HINGLEY ROAD, HYANNIS, 508-778-8588.
